

**ELIZABETHTOWN AREA**

*Elizabethtown Area Communities That Care invites you to*

**A factual look at the impact legalization  
of marijuana has had in Colorado**

**Presenter:** Dale Quigley, Deputy Coordinator of the National Marijuana Initiative for the High Intensity Drug Trafficking Initiative Program (funded by the White House's Office of National Drug Control Policy)

**When and Where:** Wednesday, March 20, 6:30 - 8:00 p.m., Campus of Masonic Village, Masonic Conference Center, Memorial Hall, 1244 Bainbridge Road, Elizabethtown. (As you turn into Patton Campus and drive up the drive, Memorial Hall will be the building on the right.)

Earlier in the day, Mr. Quigley will be doing a similar presentation to the Pennsylvania Legislature.

**About:** After Colorado legalized marijuana for both medical and recreational purposes it continues to have numerous adverse consequences. Key areas that are being impacted are Public Health, Public Safety and the creation of current policies based on out of date or incomplete information.

This presentation offers the facts concerning the consequences of making marijuana legal. It is a fast-paced look at the evolving impact that the legalization of marijuana is having not only in Colorado but other states as well.
